With a Carefree Boat Club Membership you can SAY...

GOODBYE TO:

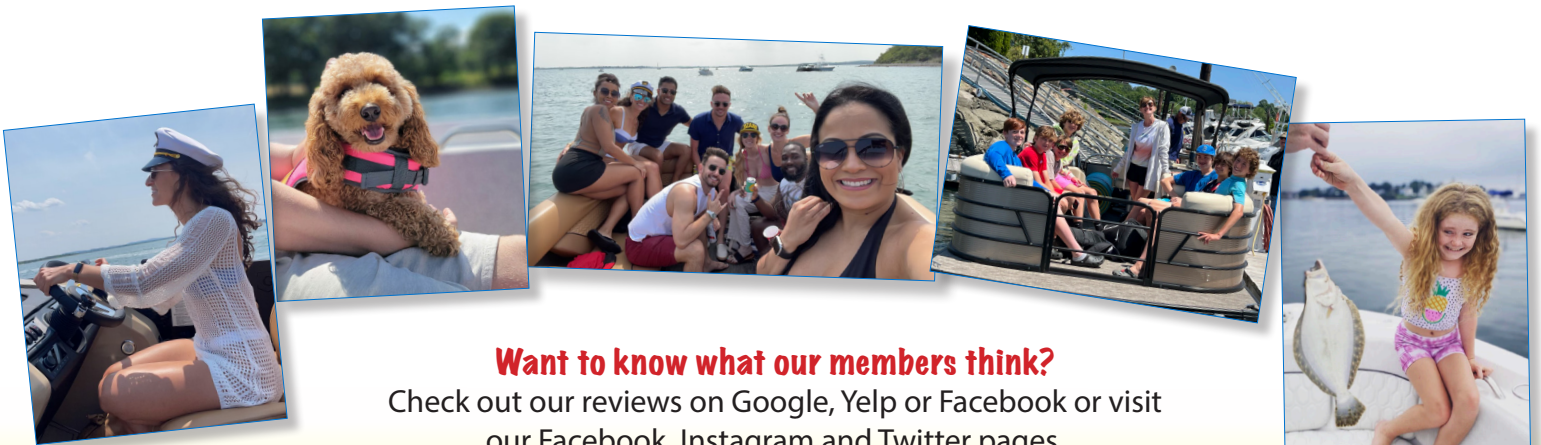

- Stress related to ownership
- Maintenance & repairs
- Cleaning & detailing
- Insurance costs
- Slip or mooring fees
- Trailing
- Winterization costs
- Storage fees

AND HELLO TO:

- The joy of boating (year round)
- Unlimited access to a variety of high-quality boats
- Easy online reservations
- On-The-Water training
- Complimentary use of all national & international locations
- Member events
- Making lasting memories

The Fine Print

- Complimentary parking at both Danvers and Boston Clubs.
- Complimentary use of Danversport Marina pool.
- Prices do not include tax.
- Members are responsible to pay for the fuel they use. Fuel is carefully tracked. If you use 4.7 gallons of gas, that is exactly what you pay to replace.
- The enrollment fee is a **one-time fee** to join the club. It is good for your lifetime. If you ever leave the club and wanted to come back (**no matter how many years later**), you wouldn't pay the enrollment fee again. You simply pick up the monthly dues and resume enjoying boating the Carefree way!
- Memberships are annual contracts and are paid for 12 months. For example if you join in April, your membership would run from April to the following April.
- How is the monthly payment calculated? Annual member dues are divided by 12 monthly payments. For example the Admirals Membership is \$4788 per year, divided by 12 = monthly dues of \$399 (before tax).
